The screenshot displays the Figma interface for a workspace titled "Digital\_Democracy\_Remote-Workshop". The interface includes a top toolbar with navigation and editing tools, a left-hand "Layers" panel listing various design elements like "Group 15", "Toolbox\_Intro", and "Social-Media Usage Scale", and a right-hand "Design" inspector panel. The main canvas area is divided into three horizontal sections: "SESSION I" (labeled "WORK IN THIS JOINT WORKSPACE"), "SESSION II" (labeled "WORK IN THE GROUP-SPECIFIC WORKSPACE"), and "SESSION III". A "TIMELINE" label with an arrow points to a horizontal timeline bar at the top of the canvas, which contains a "Timeframe" section and several design frames. A help icon (question mark) is visible in the bottom right corner of the canvas area.
